Re: Results of Request for Proposals Process – June 2015 Solicitation for:
Metropolitan Edison Company
Pennsylvania Electric Company
Pennsylvania Power Company
West Penn Power Company

Dear Ms. Giesler:

On June 23, 2015, Metropolitan Edison Company (Met-Ed), Pennsylvania Electric Company (Penelec), Pennsylvania Power Company (Penn Power) and West Penn Power Company (West Penn) (collectively, First Energy) filed the results of its DSP-III Default Service Procurement Auction (June Solicitation), including the proposed bid results for provider of last resort service for First Energy Commercial Customers electing to receive default service from First Energy for the period September 1, 2015 to November 30, 2015 at Docket Nos. P-2013-2391368, P-2013-2391372, P-2013-2391375 and P-2013-2391378 (P-2013-2391368 et al).

First Energy requests that the Commission approve the bid results from the June Solicitation on or before June 24, 2015.

Further investigation does not appear to be warranted at this time, since the bid results from the June Solicitation appear to have been conducted in accordance with the RFP Process and Rules, filed pursuant to the Commission's Opinion and Order.

Therefore, we certify the bid results submitted for the June 2015 RFP process for all Commercial customers electing to receive default service from First Energy during the three month period September 1, 2015 to November 30, 2015, at Docket No. P-2013-2391368 et al.

In addition, we direct First Energy to disclose the results of the June Solicitation in accordance with the Commission's Secretarial Letter in Re: Disclosure of Default Service Solicitation Results and Creation of a Default Service Rate Calculation Model, issued October 12, 2010 at Docket No. M-2009-2082042.

Please direct any questions to Anthony Rametta, Energy Supervisor, Bureau of Technical Utility Services, at (717) 783-5242.

Sincerely,

A handwritten signature in black ink, appearing to read "Rosemary Chiavetta". The signature is written in a cursive style with a large initial "R".
