Re: Results of Request for Proposals Process – DSP-V January 2023 Solicitation for:  
Metropolitan Edison Company  
Pennsylvania Electric Company  
Pennsylvania Power Company  
West Penn Power Company

Dear Ms. Giesler:

On January 31, 2023, Metropolitan Edison Company, Pennsylvania Electric Company, Pennsylvania Power Company, and West Penn Power Company (collectively FirstEnergy) filed the results of its Request for Proposals (RFP) Process and Rules for the January 2023 Solicitation for provider of last resort service. The filing includes bid results of four products in a declining clock auction for the supply for commercial customers who will receive default service from FirstEnergy within the period March 1, 2023 through May 31, 2023.

This filing was submitted in accordance with the RFP Process and Rules filed by FirstEnergy. The RFP Process and Rules were filed pursuant to the Commission's Order, entered September 4, 2018, at Docket Nos. P-2017-2637855, P-2017-2637857, P-2017-2637858 & P-2017-2637866.

FirstEnergy requests that the Commission approve the bid results from the January 2023 Solicitation on or before February 1, 2023.

Further investigation does not appear to be warranted at this time, since the bid results from the January 2023 Solicitation appear to have been conducted in accordance with the RFP Process and Rules as approved by the Commission.

Therefore, we direct FirstEnergy to disclose the results of the January 2023 Solicitation in accordance with the Commission's Secretarial Letter in Re: Disclosure of Default Service Solicitation Results and Creation of a Default Service Rate Calculation Model, issued October 12, 2010, at Docket No. M-2009-2082042.

Please direct any questions to Debra Backer, Energy Supervisor, Bureau of Technical Utility Services, at (717) 783-9787.

Sincerely,

A handwritten signature in black ink, appearing to read "Rosemary Chiavetta". The signature is fluid and cursive, with the first name being more prominent.
