Re: Results of Request for Proposals Process – DSP-V October 2018 Solicitation for:  
Metropolitan Edison Company  
Pennsylvania Electric Company  
Pennsylvania Power Company  
West Penn Power Company

Dear Ms. Giesler:

On October 30, 2018, Metropolitan Edison Company, Pennsylvania Electric Company, Pennsylvania Power Company and West Penn Power Company (collectively FirstEnergy) filed the results of its Request for Proposals (RFP) Process and Rules for the October 2018 Solicitation for provider of last resort service. The filing includes bid results of fourteen products in a declining clock auction for the supply for Residential and Commercial Customers who will receive default service from FirstEnergy within the period June 1, 2019 through May 31, 2021.

This filing was submitted in accordance with the RFP Process and Rules filed by FirstEnergy. The RFP Process and Rules were filed pursuant to the Commission's Order, entered September 4, 2018, at Docket Nos. P-2017-2637855, P-2017-2637857, P-2017-2637858 & P-2017-2637866.

FirstEnergy requests that the Commission approve the bid results from the October 2018 Solicitation on or before October 31, 2018.

Further investigation does not appear to be warranted at this time, since the bid results from the October 2018 Solicitation appear to have been conducted in accordance with the RFP Process and Rules as approved by the Commission.

Therefore, we direct FirstEnergy to disclose the results of the October 2018 Solicitation in accordance with the Commission's Secretarial Letter in Re: Disclosure of Default Service

Solicitation Results and Creation of a Default Service Rate Calculation Model, issued October 12, 2010, at Docket No. M-2009-2082042.

Please direct any questions to Debra Backer, TUS Supervisor, Bureau of Technical Utility Services, at (717) 783-9787.

Sincerely,

A handwritten signature in black ink, appearing to read "Rosemary Chiavetta". The signature is written in a cursive style with a large initial "R".
